

HEROES

If a hero has superpowers and saves the planet, none of us are qualified for the job.
Maybe we need to rethink what it means to be a hero.

QUESTIONS

- 01  Who has been a hero to you?
What did they do to attain hero status?
- 02  Have you ever experienced a situation in which helping someone involved a personal sacrifice? What did you give up? What was the result?
- 03  Have you ever seen a need you could help meet but talked yourself out of taking action? Explain.
- 04  Andy mentioned that Jesus expanded the definition of “neighbor” to include everyone. Does this change, challenge, or reinforce your view of Jesus? If so, how?
- 05  Is there someone in your life right now that could benefit from your help? What are some ways you could be there for them?

NOTES

BOTTOM LINE

A hero sees a need and meets it and knows the price and pays it.
