

## SERIES: WELCOME TO WONDERLAND

### Episode 1: Center of the World

What do we do with the big mysteries in life—the mysteries we can't resolve no matter how much we explore them? What do we do with our unanswered questions?

#### QUESTIONS:

- 01**  What kind of framework for making sense of the world did you grow up with—religious, academic, scientific, moralistic, or something else? How has your framework been shaped over time?
  
- 02**  Have you ever experienced a situation in which reality didn't line up with the way you thought the world worked? Explain.
  
- 03**  What is the “price of admission” to faith for you? In other words, what will it cost you?
  
- 04**  Was there ever a time in your life when your faith was fixed on a pastor, church, experience, circumstance, or the Bible? If so, what happened?
